Dear Twitch Team,

I've received a copyright strike and one of my livestreams was taken down, I believe this to be a fraudulent copyright claim by Mr Stebbins.

This isn't the first time he has submitted fraudulent claims on both YouTube & Twitch. The claimed livestream on Twitch qualifies as **Fair Use** and Mr Stebbins has no rights to claim the livestream.

I hope you can look into this and stop this user from abusing the platform to censor people talking about him and criticizing his content.
